

INTELLIFLO WINS PRESTIGIOUS ‘MOST ENTERPRISING COMPANY’ AWARD

30th June 2008

IntelliFlo, the dedicated front and back office solution provider for the financial services industry, has won the “**Most Enterprising Company Award**” at the Annual UK Business Achievement Awards 2008. IntelliFlo was judged to have achieved the biggest year-on-year improvement in profitability of any fast-track growth company in the south. The awards, hosted by Decision Business Magazine and in association with BDO Stoy Hayward, Price Waterhouse Coopers, Deloitte and RBS were judged solely on the companies’ financial performance as audited by an independent third party.

Established in 2004, Kingston-upon-Thames based IntelliFlo has built a reputation as a market leader in front and back end web-based solutions to the Financial Services sector with its unique product, Intelligent Office. IntelliFlo's team of dedicated IT and business professionals have collective expertise and proven experience delivering effective solutions for a wide range of business needs. With over 5,000 users, web-based Intelligent Office is the UK's fastest growing front and back office solution.

Nick Eatock, Chief Executive Officer of IntelliFlo commented, "This is a terrific achievement for IntelliFlo and just shows how far we've come in the last four years. This is a fantastic win for us and testament to the hard work and success of the team here and the clients who have supported us. The flexibility of our system means that we can work closely with our clients, helping to shape the industry with a new and fresh approach which is delivering real business benefits to our customer base."
