### **INTELLIFLO HIRES TEST TEAM MANAGER**

Leading front, middle and back office technology provider IntelliFlo announces the appointment of Pooja Shanthraj as Test Team Manager. With more than 8 years in similar roles within the financial services industry, Pooja brings a wealth of experience to the IntelliFlo team.

Formerly Test Coordinator at CIBC in Toronto, Pooja has a deep expertise in her new position, having managed Test Teams in India, Singapore and Canada across several successful releases and implementations. She has previously worked for a number of large multi-national companies including Deutsche Bank, CIBC and The Canadian Depository of Securities. At IntelliFlo she will be responsible for defining and implementing Quality Assurance and Quality Control related processes.

Shanthraj commented, "I was drawn to IntelliFlo for its strong reputation and robust growth which will offer me exciting new challenges. I am looking forward to my role leading this excellent Test Team in ensuring quality oriented deliverables."

IntelliFlo, Chief Executive Nick Eatock, commented, "Pooja's impressive career, knowledge and geographical experience, means she is ideally placed to manage our Test Team and ensure that as we expand, our clients continually benefit from our best-in-class services."
