INTELLIFLO BOOSTS TEAM WITH HIRE OF NEW PROJECT MANAGER

Leading web-based office solutions firm, IntelliFlo, today announces the appointment of Ian Hill as Project Manager. Ian brings over 20 years' experience of project and development team management with software providers, the last 12 in Financial Services. He will work with IntelliFlo's large clients to manage the development and delivery of solutions.

Previously, Ian spent five years with RGA Technology Partners, working with clients including AXA, Canada Life Germany, AEGON and Royal London. Prior to this, he spent four years with Marlborough Stirling/Vertex, where his clients included RBS, Alliance & Leicester and Wesleyan. During this time, Ian was responsible for delivery of Point of Sale, Back Office Administration, Underwriting Workbench and Underwriting Rules Engine systems to Life & Pensions organisations in the UK and Europe.

Nick Eatock, IntelliFlo's Chief Executive Officer, commented:

"We are very pleased to welcome Ian to IntelliFlo at this crucial time for us as we invest in and expand our client offering as well as growing our excellent team here. In Ian we gain a colleague who is completely familiar with the challenges of meeting the expectations of a variety of customers on a common platform and someone who is expert at relating to stakeholders at all levels within customer organisations."
